Dear Members of Labor and Public Employees Committee of the Connecticut General Assembly:

My name is Zach Zarnow and I live in Middletown, Connecticut. I support S.B. 312: An Act Concerning the Expansion of Connecticut Paid Sick Days.

Universal access to paid sick leave will help our entire community. Sick people should be able to take time off from work without worrying about the financial impact. Staying home when sick protects others, and coming to work when you are sick endangers the health of others as well as the ability of a business to operate when others inevitably get sick as well.

Thanks,

Zach Zarnow
